To-Do Checklist

Reading

☐ Read Chapter 4, “Normal and Exceptional Development” pp.62 through 75. Read “Classification of Developmental Disabilities pp. 87-92; “Guidelines for Teachers” pp 111, 112; “Health Problems and Classroom Practices” pp 133 through 134; Chapter 8, “Learning Behavior Disorders” pp. 140 through 157. Also, refer to your text Children With Special Needs in Early Childhood Settings to further understand the many characteristics of children with disabilities.

Discussion

☐ This week you'll discuss a case study provided by the online companion for your text.

Seminar Discussion

☐ The National Dissemination Center for Children with Disabilities (NICHCY) site provides descriptions of disabilities as well as pertinent information for teachers. For this week’s seminar you’ll go to the site and research one disability that you are interested in working with. You’ll share your findings with your classmates.
