To-Do Checklist

Reading

☐ You'll be reading about identification and early intervention of disabilities in young children. You'll also refer to your text Children With Special Needs in Early Childhood Settings for a deeper understanding.

Web Resource:
☐ You'll visit the NICHCY Website and read about how to get help for families of children with disabilities.

Discussions

☐ You'll discuss the importance of the Individualized Family Service Plan (IFSP) and the Individualized Education Plan (IEP) and the difference between the two.

Seminar

☐ After reading the required assignment for this week, you'll discuss with your classmates "What comes next?"

Project

☐ You'll research resources that can be used by an Early Childhood Care Professional to promote identification of and early intervention with children with disabilities. You'll then write an essay that explains how these resources can be used for families in need of help for their child.
